

December 2018

Celebrations

In this busy half-term, the children have benefitted from many rich learning experiences, from our Diwali Day to violin concerts to reaching the finals in the Peterborough English competitions. Over the last few weeks, we have had a wonderfully festive time in school, enjoying our Christmas dinner, discos and the hugely successful Christmas Fayre, which raised well over £600, thanks to the hard work of our Friends Association. Last week, the children excelled in our Nativity and in Peter Pan productions. Very well done to all! We look forward to hearing more beautiful carols at St John's Church for our Christingle Service.

Attendance

*Well done to all those children who received certificates for 100% attendance this term. The class with the best attendance this term is:
The Bumblebee Class.*

Improving Communication

We are hoping that, beyond some key date notifications, this will be our last paper school newsletter, as we are moving over to an online 'Marvellous Me' method of communication. We will be sending home messages via this app, which should keep you more regularly informed. Please ensure that you have a current email address registered with us in the school office, so that you stay up to date with all our school news. Please look out for more information about this in January.

Merry Christmas to you all and best of wishes for a happy New Year.

The children return to school on Thursday 3rd January.
