

Bumble Bee Class' Home Learning Task

Spring Half Term 2

This half term our theme is 'Taking Off '. As part of our learning we shall be jetting off to the seven continents and experiencing the culture, landmarks and food of several different countries.

For this home learning task could you please support the children in creating some food from a country of your choice. It can be a main dish, a side or a dessert/cake which can be shared (and eaten) in class on Monday 1st April. All the food will be eaten cold so please choose carefully. Also, do not send it in before the 1st April as we do not have the facilities to store it.

Please also include the recipe for your edible creation and some interesting information about the country that your food is from. The children will need to be prepared to talk about their homework.

You have over 4 weeks to complete this task; please ensure that the standard of the written work reflects this.

Due in: 1st April 2019
