

# Evidencing the Impact of Primary PE and Sport Premium

Department for Education Vision for the Primary PE and Sport Premium

**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

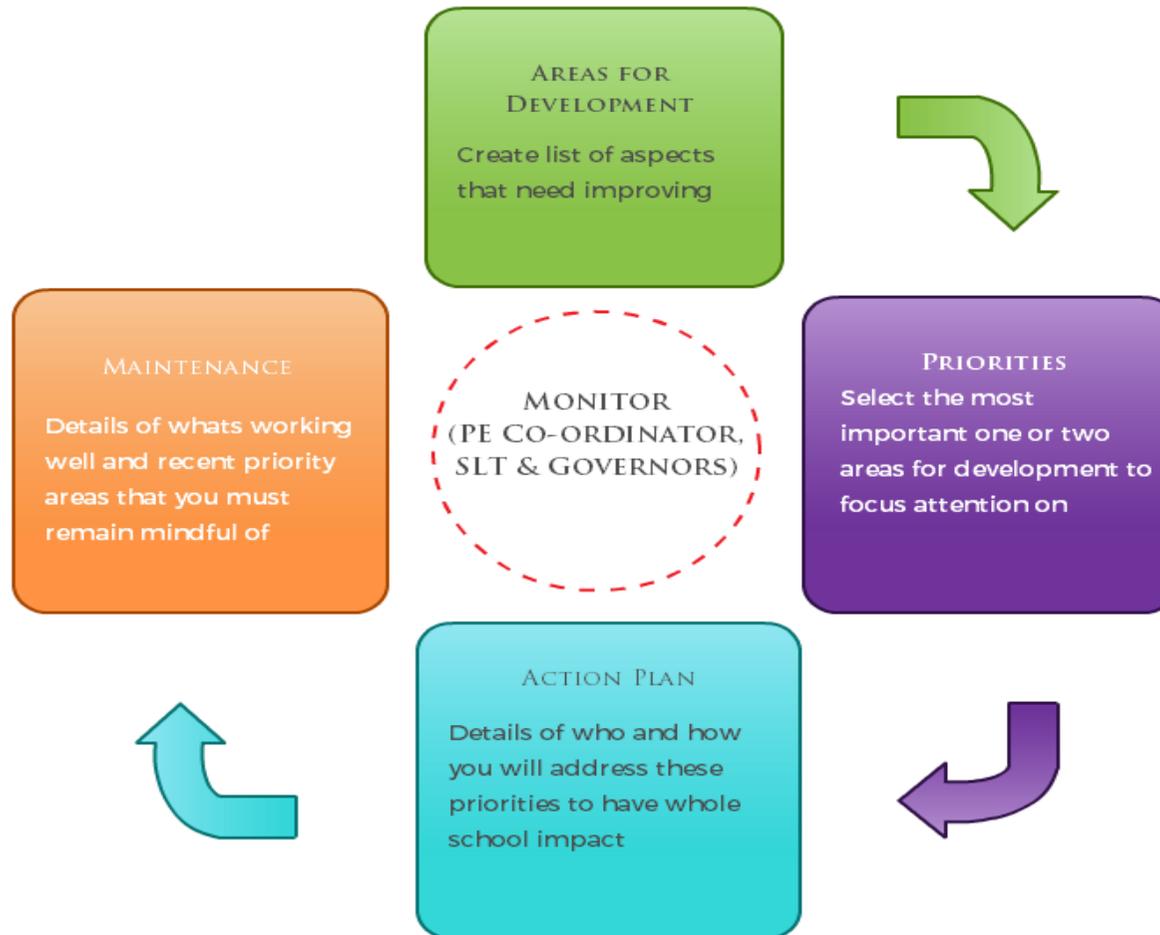

It is expected that schools will see an improvement against the following **5 key indicators**:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible. We recommend that you upload the following **template** to your website to serve that purpose.

Primary Physical Education and Sport premium planning and actions should show how use of funding contributes to this vision through identified school priorities which can be measured through reference to key outcome indicators. It is important that the main drivers for improvement are those identified by the school through their self-review. Each school should aim to achieve the following objective:

**OBJECTIVE:** To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

## DEPARTMENT FOR EDUCATION GUIDANCE ON HOW TO USE THE PRIMARY PE AND SPORT PREMIUM

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you **can** use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

You should **not** use your funding to:

- employ coaches or specialist teachers to cover [planning preparation and assessment \(PPA\)](#) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of [the national curriculum](#) – including those specified for swimming.

Academic Year: 2019/20		Total fund allocated: £17,720					
PE and Sport Premium Key Outcome Indicator	School Focus/ planned <b>Impact on pupils</b>	Actions to Achieve	Planned Funding	Actual Funding	Evidence	Actual Impact (following Review) <i>on pupils</i>	Sustainability/ Next Steps
1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	<ul style="list-style-type: none"> <li>Increased awareness of the wide range of different types of healthy activity available</li> <li>Increased engagement in regular exercise</li> </ul>	1. Increase participation, tracking and impact of the Golden Mile across a higher percentage of pupils across school. Particularly focusing on Girls and SEN pupils.	See section 4 – linked to developing the outside area.  Staff support to drive the Golden Mile forward.		Parental engagement and feedback.  Participation has increased on Summer 2019.  Staff timetabling takes account of the Golden Mile to ensure all children have the opportunity to take part.		

<p>2. the profile of PE and sport being raised across the school as a tool for whole school improvement</p>	<ul style="list-style-type: none"> <li>Increased awareness of the importance of PE for health and how it can help with learning in other areas and sports clubs available</li> </ul>	<ol style="list-style-type: none"> <li>Continue to develop the Golden Mile across the whole school, incorporating competitions for different groups of children.</li> <li>Continue to run sports clubs at lunch and after school.</li> <li>Increase the number of clubs at lunch time and after school for all children. (Targeting PP/Girls)</li> <li>House Competitions (Regular) incorporating a variety of sports e.g. tri golf, dodgeball, tag rugby, distance running.</li> </ol>	<p>See section 1</p> <p>£500 Gymnastics club £3750 Lunch time clubs (Spring – Summer 2019)</p> <p>Est. £300 for PE Lead release time. (1 full day per term)</p>		<p>Distances are recorded. Interactive class pages show achievements and progress.
