

# Merlin Class Topic Homework - Spring Term 1

Project due date: Monday 8<sup>th</sup> February 2021

This half-term we have been focused on our locational and geographical knowledge of countries. Your homework is to look into these countries further so that you have a rounded knowledge of the culture within them. You may complete one or more of the tasks below.

<p style="text-align: center;"><b>English</b></p> <p>Find several tourist attractions from your chosen country. Write a diary entry for each day of your holiday, imagining that you have visited the attractions that you have found out about.</p>	<p style="text-align: center;"><b>Geography</b></p> <p>Create a fact file based on each country (America, England and Italy). Tell me facts about each of them.</p>	<p style="text-align: center;"><b>Music</b></p> <p>Research and learn a traditional song from Italy, America or England and sing or play this for us!</p> <p>It could be as simple as a lullaby or more challenging like the Italian national anthem!</p>
<p style="text-align: center;"><b>Art</b></p> <p>America, England and Italy all have many famous artists. But can you name any? I would like you to research the artwork of an artist from each country and then create a piece of art inspired by them!</p>	<p style="text-align: center;"><b>History</b></p> <p>Many of you were curious about how these countries were involved in World War 1 and 2. This is your opportunity to look for yourselves. How were America, England and Italy involved in WWI? Can you create a fact page about these?</p>	<p style="text-align: center;"><b>Maths</b></p> <p>Discover some mathematical facts about the three countries we have been studying. Design a maths quiz for your classmates based on these facts. Make sure you have the answers too!</p>

Please upload your learning to Tapestry. DO NOT bring the project into school unless asked. We're looking forward to seeing what you make and create this half term!
