

Safeguarding Children and Adults at risk from abuse and neglect

This March is Safeguarding Awareness Month. The more we know about Safeguarding and the more we talk about it in school, at home and in our communities, the better we can work together to prevent abuse and neglect of children at risk.

At Stanground St John's, we are supporting the Safeguarding Awareness Month and promoting Safeguarding by:

- **reminding you that our Safeguarding Designated Staff are Mrs L Nightingale and Mrs S Williams. Our Safeguarding Governor is Mrs H Youngs. If you ever have any questions or concerns, please do come and talk to us.**
- **putting up 'listening posters' around school to remind children, staff and visitors to talk to someone, if they are worried about something.**

Safeguarding is everyone's business
